Bid Tabulation	BID TABULATION
Project Description	<p>The Contractor shall provide Maintenance Services for a period of 2 years and 9 months, after the completion of the Plant Establishment and Maintenance Period have been completed and accepted. The maintenance shall be in the planters only and include removal and disposal of weeds, raking of planters and removal of leaves and watering on a weekly basis. On a monthly basis contractor shall remove dead flowers or leaves from shrubs, trim excess shrub foliage and maintain a clear planter inflow and outflow path in planter and dewatering planter during rainy season as needed. Fertilizer and spraying for insects and disease will be done on an as needed basis to maintain plant material in a healthy growing state.</p> <p>The winning bidder shall arrange to have a walk-through inspection with the City Engineer, Granite Construction and city staff to determine the health of plant materials prior to the beginning of the maintenance period. Contractor shall then determine if any plant replacement(s) are required by Granite Construction.</p> <p>Trees in sidewalk area shall be watered as needed to maintain a healthy condition. All tree wells shall be maintained weed free and debris free and trimming as required by the City of Salinas with no other maintenance required.</p> <p>Should vandalism occur, City will furnish plant materials including trees and shrubs and other plant species for the contractor to replace plants and trees. No compensation shall be made for contractor to</p>
