URBAN FORESTRY WORKER II

BARGAINING UNIT/CLASS CODE:
SEIU / J12

DEFINITION

To perform a variety of skilled work involving the pruning, climbing, removal, planting and general maintenance of trees. Perform semi-skilled and skilled general landscape maintenance duties as required.

DISTINGUISHING CHARACTERISTICS

This is the journey level in the Urban Forestry class series. Positions in this class perform the full range of urban forestry work and can be distinguished from the Senior Urban Forestry position in that the position is not expected to lead a crew on a regular basis.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from the Parks, Grounds, Forestry Operations Manager. Primary supervision provided by the Urban Forestry Crew Supervisor. Lead supervision may be provided by a Senior Urban Forestry Worker. Responsibilities may include providing technical or functional supervision over less experienced personnel.

ESSENTIAL JOB FUNCTIONS OF THE POSITION Duties may include, but are not limited to the following:

Prune trees and shrubbery at or above-ground level using prescribed methods; to provide clearance of streets, sidewalks, signs, and lights and as necessary to ensure continued health of trees and shrubs. Remove fallen trees, dead limbs, stumps and other debris during the course of a regular working day as well as on an emergency call out basis. Clean, maintain and repair Forestry Section equipment and tools. Work both independently and as a crew member in all aspects of urban forestry related work. Plant, stake and spray trees. Operate chipper, aerial lift, stump grinders, chain saws, drive trucks and operate other related forestry equipment. Irrigate, weed, prune and fertilize trees and shrubs. Perform general landscape maintenance work when not assigned to tree pruning duties. Supervise contracted project work. Perform related duties as assigned.

PHYSICAL AND MENTAL CHARACTERISTICS

Physical, mental and emotional stamina to perform the duties and responsibilities of the position; manual dexterity sufficient to write, use telephone, business machines and related equipment; vision sufficient to read fine printed materials on labels, Material Safety Data Sheets, manuals, maps, diagrams, to work with color-coded wires with no color deficiencies; hearing sufficient to conduct in person, radio and telephone conversations occasionally over the noise of operating equipment; speaking ability in an understandable voice with sufficient volume to be heard in a normal conversational distance, on the telephone and in addressing groups; physical agility to push/pull, squat, twist, turn, bend, stoop and reach overhead; physical mobility sufficient to move about uneven terrain of a park or un-landscaped terrain; physical strength to lift from the floor up to 75 pounds and up to 90 pounds with assistance; physical stamina sufficient to sit or walk for prolonged periods of time and persevere long periods of exposure to pollen and grass - no severe allergic reactions to dust or pollen; mental acuity to collect and interpret data, evaluate, reason, define problems, establish facts, draw valid conclusions, make valid judgments and decisions. Ability to climb one hundred feet (100) above ground attached to climbing ropes and perform pruning or aerial rescue activities while attached to these ropes. Ability to perform pruning activities from an aerial lift working height of fifty-five (55) foot height. Ability to use respiratory protection equipment (PPE) in the application of pesticides. Ability to perform repetitive motion activities with both hands up to eight hours, while operating vibrating power equipment such as, but not limited to, chain saws, chippers, grinders, and pruning tools.

**CITY OF SALINAS
