Soils Qualifier: Copy and paste the table below on the cover sheet		
SOILS & FOUNDATION	Site / Soils / Foundation Information	
	YES	NO
	Please check the box that applies to your project site	
	Is the project site flat?	
	Does the existing structure have conventional spread footing foundations?	
	Is the addition more than two stories tall or more than 1,200 square feet?	
Does the project abut severe ascending or descending slopes exceeding 35%?		
Does the project include a basement or retaining walls?		
Does the project include a swimming pool?		
Does the project include any deep foundation systems?		
Does the site contain any known geotechnical hazards?		
Does the existing foundation show any signs of distress?		
<i>Items checked in shaded boxes above require additional information to ensure code compliance</i>		
FEES & AGENCIES	CITY OF SALINAS FEES: Building permit fees vary based on project valuation and are approximately 10% of the project valuation. Applicant is required to pay only the plan check fee which is a percentage of the total permit fee. Planning, Fire and Engineering (PW) fees may apply, depending on the project scope of work.	
	MONTEREY ONE WATER FEES: A one-time sewer fee to mitigate additional sewer capacity may apply, applicant should contact the agency directly to obtain a fee estimate. Applicant is responsible for providing a receipt of payment or waiver from the agency prior to building permit issuance. (831) 372-2385	
	SCHOOL FEES: Applicant should contact the school district offices the project is in, to obtain a fee estimate. School fees vary by District and building square footage. Applicant is responsible for providing a receipt of payment or waiver prior to building permit issuance.	

Other division may have additional requirements for your plans. The permit process involves many City Divisions and outside agencies. It may include a separate Planning process. The City is required by law to enforce numerous Federal, State and local construction and development regulations to ensure that your project is safe and an asset to the community.
