

## **CITY OF SALINAS SUMMARY OF SUBSTANTIAL AMENDMENTS TO THE FISCAL YEARS 2017-18, 2018-19, 2019-20, 2020-21, AND 2022-23 ANNUAL ACTION PLANS**

The City of Salinas (“City”) is an Entitlement City in the U.S. Department of Housing and Urban Development’s (HUD) Community Development Block Grant (CDBG) Program, Emergency Solutions Grant (ESG) Program, and HOME Investment Partnership Program (HOME).

The City is making its first Substantial Amendment to its Fiscal Year (FY) 2022-23 Annual Action Plan (AAP) to allocate additional funds from prior fiscal years AAPs to the Hebbbron Family Center (HFC) project. Per the Citizen Participation Plan, a Substantial Amendment (“Amendment”) is defined as follows:

1. For larger projects, over \$200,000, an increase of 25 percent or more in project funding. Changes that are less than \$50,000 are not considered substantial.
2. An increase of 25 percent or more in project beneficiaries (i.e. income groups, limited clientele groups, residents of a targeted area) or a change in purpose, scope or location which would change the project beneficiaries by more than 25 percent.
3. A determination by the Community Development Director, that the change is substantial even though it falls below the standards in Section 1 and 2 above.
4. For ESG components, as long as the maximum 60% threshold for Street Outreach and Emergency Shelter is not exceeded, funding can be moved within the other components to meet expenditure requirements without a substantial amendment.

The additional funds to the HFC project would meet Section 1 above.

### **AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)**

#### **Introduction**

Through Amendments to FY 2020-21 and FY 2021-22 AAPs the City initially allocated \$1,406,613 in CDBG program funds to the HFC project which was added to its FY 2022-23 AAP. Additionally, the City allocated an additional \$240,502 in CDBG program funds of FY 2023-24 AAP towards the project and its activity delivery; totaling \$1,647,115.

After the demolition of the existing facility and a revision of estimated architectural, predevelopment and construction costs, it became apparent that the project was facing a funding deficit of approximately \$3.6 million. In response, the City of Salinas has identified around \$1,410,000 in previously allocated Community Development Block Grant (CDBG) funds from Fiscal Years 2017-18 (\$692,929), 2018-19 (\$499,248), 2019-20 (\$101,415), and 2020-21 (\$116,408). These funds were either remaining funds from completed projects or were allocated to projects that were not ultimately implemented due to costs and/or priority of needs. The reallocation of these funds will assist in bridging the funding gap for the Hebbbron Family Center project.

This action would result in a total commitment of \$3,057,115 of CDBG program funds to the HFC project and its Activity Delivery.

The HFC project will be a new recreational facility located at 683, 683-B, 683-C, 683-D, 667, and 669 Fremont Street in Salinas, CA 93905. The project scope includes the demolition of an existing structure and construction of a new 7,500 square foot community recreation facility and is located within the

City's Alisal Neighborhood Revitalization Strategy Area (ANRSA). Allocated CDBG program funds would be used to cover architectural plans, other predevelopment costs, and construction activities.
