Below are the steps to complete a “Revision Application”

Step 1:
After selecting the “Revision Application” options you will be directed to your Building Permits Portal. On the left-hand side of the screen there is a dialog box titled “Start New Application Request”. Next, choose the Revision Application type from the “Type” drop down box. The drop-down box will be located on the bottom left-hand corner of your screen.

Step 2:
Choose an Application Name and type it in the text box. Your application name should be limited to the type of permit you requested or type of project you are working on. Adding in your address is also helpful. For example, “Revision Bathroom 123 Main St.” or “ADU 123 Main St.” The application name can be edited at any time.
Step 3:
Click on the box “Start Application Process”. After clicking on “Start Application Process” a “Terms and Conditions” screen will appear. Please read the Terms and Conditions of Use. Scroll to the bottom of the page and click the check box next to “I have read, understand, and agree to the above terms and conditions.” Next click on the grey box “Accept & Start My Application”.

Step 4:
Once the terms and conditions have been accepted and the “Start My Application” button has been selected, you will be directed to the “Revision Application.” To fill out the application you must first enter information into the “Application Information” section. All fields with an asterisk must be filled out to successfully submit your application. Once the Property Address is entered the fields of Property City, Property State, Property Zip Code, Property Parcel, and Property Subdivision will automatically populate. To fill the Project Address field, type in the first 3 digits of the address. A drop down with validated addresses will appear. Select your address from the list.
Step 5:
The field “Revision to Permit Number” is required to be populated. Please enter the original permit number in this field. In the field “Additional Description Revision” please select from the drop-down menu “Plan Change”, “Truss Calcs”, “Misc”, “Commercial Solar”, or “Residential Solar”. 
Step 6:
In the field “Brief Description of Work”, please enter a short description of the work that will be done during the project. Below the “Brief description of Work” field please respond to the question “This revision is the result of an inspection correction notice”.

Step 7:
The next section is the “Owner Section” this section will automatically populate with the information of the owner of the property. Please enter an email address and/or phone number in order to receive notifications throughout the permit application process. Below is an image of the “Owner” section. On the top right corner of the grey text box the word “Incomplete” will automatically change to “Complete” when the section is filed out completely.
Step 8:
In the “Contractor” section please choose between “Licensed Contractor” or “Contractor is not known.” If the “Licensed Contractor” button is selected several fields will appear. You will be prompted to enter the contractor’s license number. Once the license number is entered the fields of “Name”, “Phone Number”, “Address”, “City”, “State”, “Zip Code” and “Email” will automatically populate. Below is an image of the “Contractor” section. In the top right corner of the grey text box the word “Incomplete” will automatically change to “Complete” when the section is filed out completely.
Step 9:
The “Engineer” section is a required field. In the “Engineer” section please choose between “Contact is known” or “Contact is not known.” If you have an engineer, please enter any information you have regarding the engineer. This information includes “License Number”, “Name”, “Phone Number”, “Address”, “City”, “State”, “Zip Code”, or “Email.” Below is an image of the “Engineer” section. In the top right corner of the grey text box the word “Incomplete” will automatically change to “Complete” when the section is filed out completely.

- Engineer (optional)

- Contact is known
- Contact is not known

Step 10:
The “Designer” section is not a required field. In the “Designer” section please choose between “Contact is known” or “Contact is not known.” If you have a designer, please enter any information you have regarding the designer. This information includes “Name”, “Phone Number”, “Address”, “City”, “State”, “Zip Code”, or “Email.” Below is an image of the “Designer” section. In the top right corner of the grey text box the word “Incomplete” will automatically change to “Complete” when the section is filed out completely.
Step 11:
The “Architect” section is not a required field. In the “Architect” section please choose between “Contact is known” or “Contact is not known.” If you have an architect, please enter any information you have regarding the designer. This information includes “License Number”, “Name”, “Phone Number”, “Address”, “City”, “State”, “Zip Code”, or “Email.” Below is an image of the “Architect” section. In the top right corner of the grey text box the word “Incomplete” will automatically change to “Complete” when the section is filed out completely.
Step 12:
The “Applicant Information” will automatically populate based on the information that you entered in Step 3. If any of the information is incorrect, please change your personal information in the Building Permits Portal. Below is an image of the “Applicant Information” section. In the top right corner of the grey text box the word “Incomplete” will automatically change to “Complete” when the section is filed out completely.
Step 13:
The final section is titled “Signature”. Please carefully read the statements and check the box acknowledging the statements. Below is an image of the “Signature” section. In the top right corner of the grey text box the word “Incomplete” will automatically change to “Complete” when the section is filed out completely. When completed please click on either the “Save for Later” text box or “Submit Request” text box.
Building Permits Portal

Once you have agreed to the terms and conditions you will be guided to the “Building Permit Application” page for the project you have created. If for some reason you time out of the application or get logged out your project can be accessed on the Building Permits Portal. The Building Permits Portal will look like the image below:

My Permits

On the top right-hand corner of the Building Permits Portal, there is a box called “My Permits”. The “My Permits” box show projects that have been completed. By selecting a project in this section, you will be able to open the application for the project that have been completed.
Applications
On the bottom of the Building Permits Portal there is a box labeled “Applications”. In the “Applications” dialogue box, you can search through both unsubmitted and submitted applications.

In the bottom right-hand corner of the “Applications” dialogue box there is a column labeled “Action”. There are three actions that can be taken under the “Action” column; edit, copy and delete. The edit symbol is a pencil writing on a piece of paper, the copy symbol is two pages of lined paper and the delete symbol is a large X. You can select the action you want to take by hovering the mouse over the symbols. Below is a close-up image of the actions that can be taken:
Getting Started

There are two ways to log on to Project Docx.

1. Create a paperless permit account. From there you will have access to both the paperless permits applications and Project Docx.

2. Be invited to view a current project by an owner/contractor or someone working on a project.

➢ If you have received a link for access to a project please follow the following instructions
Using the dashboard

When logging in to ProjectDox to access a submitted application you can log into the Building Permits Portal or go directly to the ProjectDox portal. If you log in through the Building Permits Portal, simply click on the hyperlink to the permit number under the “My Permits” section. When you click on the permit you would like to access you will be directed to your permits “Status” tab. Under the “Status” tab the applicant will be able to see how long the applicant has had the permit and how much time has passed since the permit application was submitted.
By clicking on the “Tasks” tab you will be able to see what tasks are pending for you to complete on your permit. If nothing is appearing under the “Task” column that means that your permit is under review, and you currently have no new tasks to complete.

If you see instructions under the task column the instructions will tell you what steps you need to take. Under the group column you should see the word “Applicant”
meaning that it is your task to complete. In the image below in the task column it states “Upload and Submit” meaning that the applicant still needs to upload and submit documents.

When you click on the task listed in the task column a new dialogue box will pop up. The dialogue box will have three tabs “Permit Information”, “Original OAS Application”, and “Invite Others.” Under the “Permit Information” tab you will be able to see information regarding your permit including “Description”, “Address”, “Applied Date” and any restrictions on the permit.

**UPLOAD COMPLETED**

Hello [Name],

The following files have been received for project - **B22-0624 : Wheelchair Ramp**

Files received:

1. 105 APPROVED PLANS (1)_Part3.pdf

*Please do not reply to this email.*
After the Coordinator receives your application, it may be sent back to you. The coordinator may send the application back to you for payment on the permit or the coordinator may want you to add additional comments. When this happens, the application will appear on your portal. Under the “task” column you will see the phrase “Prescreen Corrections”. This means that there are some corrections that are needed. Under the “Group” column it will say “Applicant” meaning that you will need to make the required corrections. Below is a picture of what you will see on your portal.

After the documents are submitted and sent to the coordinator for review you will receive the application back to fix comments or for payment. In the section titled “Add/Resolve Review Comments” you will be able to see if there are any comments that need to be added to complete the application. To view the comments, you will click on the box “Review Comments”.

![Image of portal](image-url)
After clicking the “Review Comments” button you will see a screen that displays comments from different departments. These departments include Coordinator, Addressing, Engineering, and Planning. Using the different drop-down boxes, you will be able to filter and sort the types of comments. You can also search through the comments using a keyword search. Below is an image of the drop-down boxes that will appear on your screen.
Underneath the drop-down boxes there are rows that will display the comments that staff has left for you. You can also add comments and questions for staff in this section. All comments that need a response will have a highlighted dark red box to the right of the comment section. This dark red box will display “Unresolved”. When replies are added, staff will resolve the comments and the text in the box to the right of the comments will change to green and “Resolved” will be displayed. Please enter your comments in the box that states, “Type your response here.” Below are two images of both “Unresolved” and “Resolved” comment boxes.
You may be required to upload additional drawings or documents during your permit application. When you would like to upload documents, you can click on the button that says, “Upload Documents”. The documents will appear in the folder labeled “Documents” and the drawings will appear in the folder labeled “Drawings.”

After reviewing any correction or comments to your permit you may be required to resubmit the plans. If this is the case, you will receive a task on your dashboard that is titled “Respond and Resubmit.” By clicking on the task, you will open a display box titled “Respond and Resubmit.”
On the “Respond and Resubmit” page you will be able to view if there are any unresolved comments or Plan Review comments. Additionally, you will be able to export plan review to Excel. If you would like to review comments made by Plan Review click the “Review Comments” box next to Plan Review.

By clicking to view unresolved comments you will also see any unresolved comments from Plan Review. You can access your marked plans by clicking on the hyperlink of the pdf that was uploaded. Any changes that are made to the plans will be denoted as “Changemark Note” followed by a number.

When the hyperlink is selected, you will be directed to view your plans that contain marks made by staff. Marks will be different shapes and sizes depending on the changes that need to be made. A list of the notes will appear in the middle column to the left of your plans. You can respond directly to the changes staff made to your plans by typing in the white box labeled “Your Response.” Please make sure to click the box title “Save Response” after typing your comments to staff. In the grey box directly above the box titled “Your Response” you will be able to view your past comments as well as past comments by staff. Below is an image of a marked set of plans.
