<b>FEES &amp; AGENCIES</b>	<b>CITY OF SALINAS FEES:</b> Building permit fees vary based on project valuation and are approximately 10% of the project valuation. Applicant is required to pay only the plan check fee which is a percentage of the total permit fee. Planning, Fire and Engineering (PW) fees may apply, depending on the project scope of work.
	<b>MONTEREY ONE WATER FEES:</b> A one-time sewer fee to mitigate additional sewer capacity may apply, applicant should contact the agency directly to obtain a fee estimate. Applicant is responsible for providing a receipt of payment or waiver from the agency prior to building permit issuance. (831) 372-2385
	<b>SCHOOL FEES:</b> Applicant should contact the school district offices the project is in, to obtain a fee estimate. School fees vary by District and building square footage. Applicant is responsible for providing a receipt of payment or waiver prior to building permit issuance.

**Other division may have additional requirements for your plans. The permit process involves many City Divisions and outside agencies. It may include a separate Planning process. The City is required by law to enforce numerous Federal, State and local construction and development regulations to ensure that your project is safe and an asset to the community.**
