

# City of Salinas Community Meetings

## The City of Salinas wants to hear from you!

The City of Salinas (City) is eligible to receive Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME) and Emergency Solutions Grants (ESG) funds from the Department of Housing and Urban Development (HUD) for housing and community development projects. In order to access these funds, a HUD-required five-year Consolidated Plan (Con Plan) must be developed to assess housing and community development needs. The City is also in the process of updating the Alisal Neighborhood Revitalization Strategy Area (ANSRA).

The City invites the public to attend and provide input on the Con Plan and ANSRA and discuss housing and community development needs in the community during the following meetings:
