NOTICE OF FUNDING AVAILABILITY (NOFA) Amendment No. 1 For FY 2019-20 U.S. Department of Housing and Urban Development (HUD) Entitlement Community Development Block Grant (CDBG) Non-Public Service Funds

The City of Salinas (City) through this Notice of Funding Availability (NOFA) Amendment No. 1 is announcing an application deadline extension starting on March 2, 2019 and ending on March 11, 2019 at 4:00 p.m. for Fiscal Year (FY) 2019-20 United States Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) non-public service funds only. The original NOFA application deadline was February 11, 2019 at 4:00 p.m. and will now be extended to March 11, 2019 at 4:00 p.m. for this funding category through this NOFA Amendment No. 1. The City expects to receive approximately \$1.9 million in CDBG funds to address community development needs with approximately sixty-five percent (65%) set-aside for CDBG non-public service funds. FY 2019-20 begins July 1, 2019 and ends on June 30, 2020. CDBG non-public service applications for eligible activities are not part of the City's two-year funding cycle and will be reviewed and awarded on an annual basis.

Eligible activities for CDBG funding must meet one of the following national objectives: 1) principally benefit low- and moderate-income persons, 2) eliminate slums and blight, and 3) meet an urgent need. The types of projects and programs which may be considered for funding, subject to national objectives compliance, are summarized as follows: Acquisition or disposition of real property; construction and rehabilitation of publicly owned facilities; improvements to public and privately-owned buildings, to make them accessible to people with disabilities; and infrastructure improvements to include sidewalks, street, drainage, and water and sewer systems. Also included are rehabilitation of public or privately-owned housing for low- and moderate-income households, demolition and clearance to abate health hazards and interim assistance or temporary help to alleviate harmful or dangerous conditions. CDBG sub-recipients must be public or private non-profit organizations. Eligible activities must be within the City limits.

Applications for CDBG funding must address the goals of the City's Consolidated Plan, the primary objective of which is developing a viable community by providing decent housing and a suitable living environment, principally for persons of lower income (i.e., households with incomes not exceeding 80% of the median income), as well as the City Council's goals.

Applications submitted from qualified agencies will be accepted and reviewed. **The deadline for submitting completed proposals in City Data Services (CDS) through this NOFA Amendment No. 1 for FY 2019-20 CDBG non-public service funding is 4 p.m., Monday, March 11, 2019.**
