

CITY OF SALINAS

BATTALION CHIEF/FIRE MARSHAL

**BARGAINING UNIT/CLASS CODE:
FIRE SUPV/ 031**

DEFINITION

Under administrative direction of the Fire Chief or Deputy Fire Chief, plans, organizes, and manages the programs, operations, budget, and staff of the fire department's fire prevention bureau, including but not limited to, fire prevention and inspection functions, arson investigation, serves as City Disaster Preparedness Officer.

SUPERVISION RECEIVED AND EXERCISED

Report to and receives general direction from the Fire Chief and/or Deputy Chief of Operations. Exercises direct supervision and management of assigned personnel, department-wide programs and administrative projects.

ESSENTIAL JOB FUNCTIONS OF THE POSITION Duties may include, but are not limited to the following:

Plans, organizes, prioritizes, evaluates, and controls the work of the fire department's fire prevention bureau in cooperation with staff and departmental management staff. Participates in the development and management of the fire prevention bureau annual budget; monitors actual performance in comparison with planned revenues and expenditures. Participates in the development, implementation and administration of comprehensive programs, policies, guidelines, and procedures related to the fire prevention bureau's operations and activities; ensures the fire prevention bureau's programs and activities are in compliance with relevant laws, regulations and rules. Interacts with other City departments in matters relating to fire prevention, disaster preparedness, and community development as necessary. Participates in the development and adoption of codes, regulations and standards for new construction and on-going maintenance of fire protection features. Plans, coordinates and directs the City's Disaster Preparedness Program, and associated services. Analyzes and manages the fire permit and inspection fee program and determine when changes are needed. Performs related duties as assigned.

PHYSICAL AND MENTAL CHARACTERISTICS

Physical mobility to sit, stand, walk, crawl, kneel, crouch, squat, lay on back or stomach, climb and balance, reach at shoulder length and above shoulder length, push, pull, twist and rotate for periods of between five minutes to two and one-half hours per eight hour shift. Stamina to walk, and stand wearing protective equipment weighing up to 65 pounds for intermittent periods of time. Physical agility to walk over uneven, wet surfaces, push/pull, squat, twist, turn, bend, stoop, climb and reach overhead. No severe allergic reactions to dust or pollen. Physical strength to lift or carry 65 pounds or less. Manual dexterity of neck, wrists, waist, hands and fingers sufficient to wear respirators and other protective gear. Hearing and speaking ability sufficient to converse over the telephone, two-way radio and in person often over the noise of machinery and traffic, to detect and describe noises in machinery or to hear running water. Ability to distinguish colors to recognize flame, smoke, hazardous materials placards and skin signs. Mental acuity to act under stress in life threatening situations, and to maintain calm efficient judgment in serious situations involving quick action or mental stress.

WORKING CONDITIONS

A Battalion Chief/Fire Marshal will predominantly work in an office environment, or one that requires use of a passenger vehicle making frequent stops to various Department and City facilities. On occasion, while acting as the Incident Commander, will have to wear the protective gear related to fire suppression and be required to use the self-contained breathing apparatus. On occasion, the Battalion Chief/Fire Marshal will be working outdoors and be subject to all weather conditions, with a potential exposure to heat, smoke and potentially hazardous conditions. The Battalion Chief/Fire Marshal must be able to respond physically to alarms for help from a standstill or sleep in a matter of seconds. Must be able to walk on slippery surfaces and uneven terrain. On occasion may have to drive long distances to attend training or as a strike team leader.
