TEMPORARY GAS - ELECTRICAL SERVICE AGREEMENT

CBC Sections 108.3, 108.4; CEC Article 590, CPC Section 105.4

Temporary service(s) being requested are authorized for this address only and limited for the use of construction purposes only. This request applies to temporary supply and use power in part of an electric installation or temporary connection of the plumbing equipment to the source of energy or fuel for the purpose of testing the equipment. Termination of approval for the temporary services will be discontinued upon any violation of the provisions of the applicable codes.

By signing below, the contractor of record acknowledges that:

- Temporary service is being authorized for construction purposes only;
- They are responsible for keeping the property unoccupied prior to issuance of the Certificate of Occupancy;
- They understand that if this property becomes occupied, the services will be immediately terminated and the deposit forfeited;
- Following the completion of the request for refund, after the Certificate of Occupancy has been issued, the funds deposited, less the \$197.00 service charge per meter release, will be refunded following the standard City refund policy.
