

Downtown Vibrancy Main Street Streetscape Project

What: Temporary Parking Restriction on Downtown Main Street Blocks (Schedule Below).

Why: The City begins work on the design for the Streetscape Project for construction in 2018-19. A field survey is necessary to confirm locations, elevations and other information along Main Street to ensure that the design will be accurate.

How: The City's surveyors need to restrict parking for a limited time on each block of Main Street. The schedule is shown below. Parking would be available as surveyors complete measurements.

When and Where:

Street Survey Work Schedule

300 Block Main St – Monday, August 7, 2017 from 7:00A-4:00P

200 Block Main St – Tuesday, August 8, 2017 from 7:00A-4:00P

100 Block Main St – Wednesday, August 9, 2017 from 7:00A-4:00P

Lot 1 (behind 200 Block) – Thursday, August 10, 2017 from 7:00A – 4:00P
