

NOTICE

Health & Safety Day Clean-Up

Posting Date: 6/22/2022

Personal property is being stored illegally at this location in violation of S.C.C. § 16.130.030. The owners of any such personal property are hereby notified that a Health & Safety Day Clean-Up is scheduled as follows:

Location(s)	1 Bridge St
Date	7/6/2022
Time	7:00am-3:30pm
Additional Information	This is a 2-week notice, this area is being cleared for construction. No campers will be allowed to return during the construction process.

Any and all personal property remaining at this location on the Health & Safety Clean-Up date set forth above may be removed without further notice. Storage containers will be provided prior to the removal of personal property for storage upon request. Stored property will be retained for ninety (90) days at the City Storage at South Sanborn Road Overpass. Abandoned property and refuse shall be removed and destroyed.

RETRIEVING PERSONAL PROPERTY Without Risk of Prosecution

1) Make an Appointment (Required)	(831) 758-7928
2) Pick a Day	Tuesday or Thursday
3) Pick a Time	Between 8:00 AM - 12:00 PM
4) Arrive at Your Appointment	City Storage: South Sanborn Road/101 Overpass

AFTER 90 DAYS

- Any items not recovered from storage will be deemed abandoned and will be destroyed. Any items identified as trash, garbage, or other waste and/or insect infested items not suitable for storage or for continued use will be disposed of or recycled appropriately.
- Any prescription medications, prescription eyeglasses, personal identification, legal documents, or medical records found will be set aside and will not be discarded. Individuals seeking to recover such items should contact the Public Works Office at the above telephone number.

IMPORTANT INFORMATION

- Additional information and resources available through:
Monterey County Coalition of Homeless Services Providers
(831) 883-3080
- You are being provided advanced notice of the scheduled clean-ups to allow you time to remove and secure all of your personal property away from this location.
- Prior to the Health & Safety Day, the City will reach out to social services providers, bring these clean-ups to their attention, and request that service providers visit the site prior to the clean-ups to offer assistance to those living here.
